Annual Report

2024 Annual Report for Fatherhood Revisited

Dear Friends of Fatherhood Revisited,

Fatherhood Revisited has had a wonderful year and we are committed to continuing to grow and prosper.

During the past year, increased our clientele and employees, held our second fundraising gala and began planning the third, gave away scholarship money, assisted families in need, sent 6 students on a college tour, had 90% of our clientele complete at least one ISP goal, had no repeat juvenile court offenders, and all of the students scheduled to graduate, graduated. We created relationships for several other referral sources. We increased the community-based activities our clients again and started our Elevation social and emotional groups.

During the next fiscal year, we will continue to expand clientele and staff and create opportunities for families to increase their overall well-being, hold a bigger and better fundraising gala, and increase our social and emotional group offerings.

Our organization in numbers:

Total Income:	\$482080
Program Expenses:	\$ 270,481

<u>Administrative Expenses:</u>	<u>\$78,953</u>
