Annual Report

2025 Annual Report for Fatherhood Revisited

Dear Friends of Fatherhood Revisited,

Fatherhood Revisited has had a wonderful year and we are committed to continuing to grow and prosper.

During the past year, increased our clientele and employees, held our second fundraising gala, we added two full-time employees, we have had an increase in referrals sources and referrals, we are planning our first summer camp, and we became CARF accredited.

During the next fiscal year, we will continue to expand clientele and staff and create opportunities for families to increase their overall well-being, hold a bigger and better fundraising gala or take the youth on their first out of state trip, and increase our social and emotional group offerings.

Thank you everyone for a great 2025. We are looking forward to an excellent 2026.

Our organization in numbers:

Total Income: \$683,251.98

Total Operating Expenses: \$555, 408.44

End-of-Year Net Assets: \$ 131,287.74

Thank you for your continued support.
